

Two young entrepreneurs with some experience in the graphic arts sector founded the society Lobo & Monteiro;

As nowadays, their core focus then, was on producing cardboard and micro-corrugated board packaging for sectors such as food, textiles, pharmaceuticals, cosmetics, telecommunications, and more recently, for a variety of new industries.

Today we are Liderbox - Artes Gráficas, S.A, one of the main graphic arts companies in Portugal:

- ❖ We have a workforce of 65 professionals;
- ❖ We are certified under ISO 9001 / 2008;
- ❖ We have got the latest hi-tech equipment;
- ❖ We have the capacity to respond to all market demands;
- ❖ We export 80% of production - which means that many Portuguese products commercialised worldwide have our stamp!
